The Peninsula Lake Association appreciates your donation! Although our basic annual expenses are covered by dues, the Association relies on donations to provide better service to our members (e.g. our website, our semi-annual newsletter Pen Notes, water testing, the annual regatta) and to continue our environmental projects, such as the development of our Pen Lake property and the enhancement of the nature reserve. Please consider making a donation annually with your annual dues.

Tax receipts will be issued at year's end for inclusion with your charitable deduction for income tax purposes.
